Applicant					
ROBERT D. KROSS					
1. This report is the international preliminary examination report, established by this International Preliminary Examining Authority under Article 35 and transmitted to the applicant according to Article 36.					
2. This REPORT consists of	2. This REPORT consists of a total ofsheets, including this cover sheet.				
3. This report is also accompanied by ANNEXES, comprising:					
a. (sent to the applicant and to the International Bureau) a total of sheets, as follows:					
sheets of the description, claims and/or drawings which have been amended and are the basis of this report and/or sheets containing rectifications authorized by this Authority (see Rule 70.16 and Section 607 of the Administrative Instructions).					
sheets which supersede earlier sheets, but which this Authority considers contain an amendment that goes beyond the disclosure in the international application as filed, as indicated in item 4 of Box No. I and the Supplemental Box.					
b. (sent to the International Bureau only) a total of (indicate type and number of electronic carrier(s)) , containing a sequence listing and/or tables related thereto, in electronic form only, as indicated in the Supplemental Box Relating to Sequence Listing (see Section 802 of the Administrative Instructions).					
4. This report contains indicate	ations relating to the follow	wing items:			
Box No. I B	asis of the report				
Box No. II P	riority		=		
<u> </u>	Non-establishment of opinion with regard to novelty, inventive step and industrial applicability				
Box No. IV L	ack of unity of invention				
	easoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement				
Box No. VI	Certain documents cited				
Box No. VII C	ertain defects in the international application				
Box No. VIII C	Certain observations on the international application				
Date of submission of the demand		Date of completio	n of this report		
07 October 2005 (07.10.2005)		08 March 2006 (08.	03.2006)		
Name and mailing address of the IPEA/ US		Authorized officer	A 11/1/1/
